

## **2024 Summer Camp Cancellation & Refund Policy**

Cedar Dell Forest Farm understands that family schedules change and unexpected events occur. We are happy to accommodate cancellations and schedule changes whenever possible. As a significant amount of the cost of camp is invested long before the program date, refunds vary based on the amount of advance notice you are able to provide.

The refund and fees policy is as follows:

### **Nonrefundable**

- \$25 processing fee for each registered session.
- Participants asked to leave due to behavioral issues will not receive a refund.

### **Cancellations**

- 30 or more days before the session start date – full refund, less the \$25 processing fee
- 29 10 15 days before session start date - 50% refund
- 14 days or less before session start date – no refund

Please feel free to contact us with cancellation/refund requests due to extraneous or COVID related circumstances.

In the unlikely event Cedar Dell Forest Farm needs to cancel summer camp due to extreme weather, poor air quality, Covid-19 related reasons, or other unforeseen events, you will receive a full refund.
